

♥ Welcome to Kindergarten

Hello and welcome to Little Llama kindergarten! I can't wait to meet all of you. I hope you are having a fun summer. As I write this in the middle of June, I imagine you may have many questions about how school will look in the fall due to COVID-19. You will be contacted as soon as we have all the details. In the meantime, I would like you to know that I want to have an opportunity to meet with you and your child before school starts. I will be having a scavenger hunt the day before school starts to help your child become familiar with our classroom. This will be an optional opportunity and I will be sending details about day and time later.

Supply list:

In the past we would bring supplies to share with everyone. This year I am asking families to bring in a pencil box that only your child will use. Pencil boxes can usually be found at the Dollar Store, Target or Staples. Please put your child's name on it and fill it with:

- A pencil
- A glue stick
- One child size blunt tip scissors
- One box of crayons
- One box of colored pencils

Please let me know if this is a financial hardship as I do have a small supply of all these things. I ask families to provide a Ziploc bag with one pair of underwear and loose sweatpants or leggings in case of accidents. Please label with name.

Class wish list optional: Plants, llama anything, tissue boxes, lysol wipes, hand sanitizer, sandbox shovels, gallon sized Ziploc bags, and sidewalk chalk. I will be asking a few parents to make a batch of play dough and separate into Ziploc bags. I will need 22 bags.

Thanks everyone!
