1. Narrative description of the Prop 28 arts education programs funded (2500 character limit). In November, Proposition 28: The Arts and Music in Schools Funding Guarantee and Accountability Act was successfully passed by California voters. This measure mandates the establishment of ongoing support for arts instruction in schools starting from the academic year 2023-2024.

In this decision-making process, school leaders collaborated with teachers, families, and students, to ensure that the choices made best serve the unique needs of their local school community.
