

7-8th Grade Science Supply List

Welcome to a new school year! We provide lots of materials for students in the classroom. However, it would be helpful if students had their own set of a few key materials that are needed daily. They don't need to be brand new, and so hopefully your child can find the majority of supplies already at home. Please have supplies ready by the first Friday of school.

Pencil pouch with:

- 3- 5 sharpened **pencils**
- 2-3 blue/black ball point **pens**
- 2 different color **highlighters**
- **colored pencils** (not fancy and sharing and/or using class set is fine)
- **small scissors**
- **glue stick**

SCIENCE NOTEBOOK & FOLDER will be PROVIDED!
